

The Ned Supplementary Courses Program provides online *supplementary* courses to students in First Nation elementary schools. The program enables grade 7 and 8 classrooms across Ontario to participate in an online learning program that aims to:

- Improve students' Science, Math and literacy skills
- Help prepare students for high school
- Promote awareness and pride in First Nations identity, events and issues
- Connect students and teachers from First Nations schools across Ontario

All courses are free and delivered in a password-protected environment. This year, we are happy to announce the following programs:

Strengthening the Core – Grade 7 and 8 Students

This program focuses on strengthening skills and knowledge in the three core subject areas, namely Science, Math and English Literacy. Each course is about 8 weeks long and requires about three hours per week (you pick the time). Students are able to participate at their own pace (no fixed deadlines for assignments). All submitted work is graded by a qualified teacher and marks are only accessible by you, the local teacher.

Reach Ahead Program

Course: Learning Strategies 1: Skills for Success in Secondary School (GLS10)

This program allows grade 8 students in First Nation schools to earn 1 high school credit. The GLS10 course focuses on learning strategies to help students become better, more independent learners. Students will learn how to develop and apply literacy and numeracy skills, personal management skills, and interpersonal and teamwork skills to improve their learning and achievement in school, the workplace, and the community. The course helps students build confidence and motivation to pursue opportunities for success in secondary school and beyond.

Course	Offered to	Dates
GLS10 – Part 1*	Grade 8 students	Oct 4, 2010 – Feb 11, 2011
GLS10 – Part 2	Grade 8 students	Feb 14, 2011 – Jun 17, 2011

* Students who are only able to successfully complete Part I will receive a half-credit.
